

# 16 inch Cut-Off Diamond Wire Saw - SS

Cuts pipe, multi-string casing and pilings, even cuts bundled wire

The Mactech 16 inch Cut-Off Diamond Wire Saw is designed for ultimate versatility and restricted space situations.

The small 16 inch cut-off saw makes it ideal for smaller projects and an excellent tool for quick setup.

The ultra compact and lightweight nature of the 16co DWS make it an excellent choice for a variety of subsea cutting projects.

Get all the capabilities of our larger saws in an affordable and easy to use unit.

- Cuts pipe, multi-string casing and pilings, even cuts bundled wire
