

# 20 inch Square Cut-Off Diamond Wire Saw

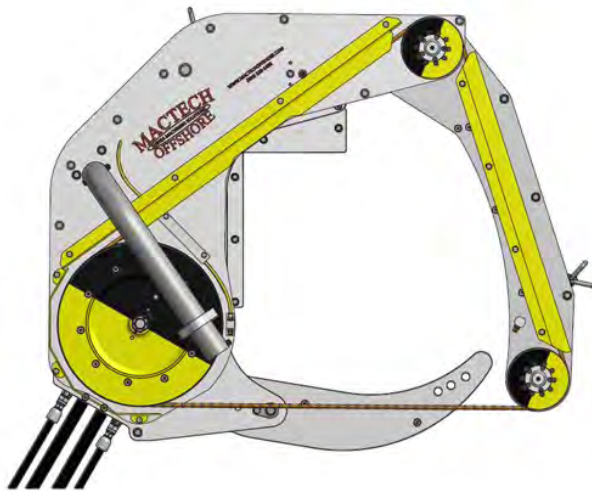

Cuts pipe, multi-string casing and pilings, even cuts bundled wire

The Mactech 20 inch Square Cut-Off Diamond Wire Saw is designed to work in areas where our larger saws cannot reach and in situations where easy manoeuvrability is possible.

The 24 square cut-off is more lightweight which makes it the ideal saw for quick diver setup.

Get all the capabilities of our larger saws in an affordable and easy to use unit.

- Cuts pipe, multi-string casing and pilings, even cuts bundled wire
- Lightweight and easy to manoeuvre.
- The 24co DWS (20 Square) weighs only 320 lbs.
