

24 Inch Round Cut Off Diamond Wire Saw-SS

16 to 24 inches (406 to 610 mm)

Cuts pipe, multi-string casing and pilings, even cuts bundled wire

The Mactech 24 inch Cut-Off Diamond Wire Saw are designed to work in areas where our larger saws cannot reach and in situations where easy manoeuvrability is possible.

The 24 cut-off is more lightweight which makes it the ideal saw for quick diver setup.

Subsea projects times often take place in rough conditions and the robust design will help meet those challenges.
